Madison Library District Adult Summer Reading 2020

Folklorist				
Valid for Stories	Collected	June 8 -	- August	Ī, <mark>202</mark> 0

Imagine Your Story at the Library this summer by exploring collections of folklore. Each time you complete a "volume of stories" by reading 1000 pages of your choice, bring your Folklore Journal into the Library for a small reward. There will not be a "sign up" prize this year and the number of prizes has been reduced, but we think they're ones that you'll like.

You can earn extra page points by completing "Further Research." Each activity may be used only once, but you can do any of them at any point along the way.

In addition, if you successfully "collect all three volumes of stories" by reading 3000 pages before Saturday, August 1, you'll be entered into our final drawings and receive five \$1 coupons to use toward any unfortunate future fine incidents that may occur.

Readers may only participate in the summer reading program once.
